

New Mexico Music Educators Association
All-State Honors Ensemble
OFFICIAL APPLICATION FORM

REQUIREMENTS:

1. IN ADDITION TO THIS FORM, you must also submit a letter from your local Superintendent of Schools, Principal, or Board of Education, stating that, if selected, the group has permission to attend and perform at the All-State Conference in January.
2. Band, orchestra and choirs should submit a cassette or CD recording of the ensemble (the performance should not be more than one year old) and elementary groups should submit a video recording of the ensemble (the performance should not be more than one year old), along with three sets of scores of the pieces being performed. Do not send photocopies of the scores. All photocopies must be accompanied by an official letter of permission from the publisher or the ensemble will be disqualified.
