Ethic Statement

-“All NMMEA meetings, as well as reports and recommendations, are open to review by all members of NMMEA. We trust the judgment and the conduct of our members and anyone else in attendance to be ethically discreet at all times when discussing personalities and issues. NMMEA strongly encourages members to be positive and discreet when discussing our organization, its events and festivals, as well as fellow teachers. The very nature of music education embodies a broad spectrum of expressions exploring different paths to arrive at artistic and educational goals. Members are encouraged to recognize and remain open to varied approaches and to celebrate both our differences and our similarities.”
