1. Ideas/Themes -

 - Books are great jumping off points

2. Planning/Auditions –
 - allow enough time for things that come up.

3. Costuming –
 - t-shirts in many colors are always good
 - Here's a great source: <http://www.shirtsupplier.com>
 - Have a way to save and store the basics
 - Go to the thrift stores!

4. Staging/Décor/Logistics –
 - classroom teachers are your best ally!
 - enlist the help of your school community – art teacher, parents, etc.
