

# SENMMEA All-District Audition Procedures

## General Information:

The SENMMEA All-District Honor Band auditions will be held on Saturday, December 14<sup>th</sup>, 2019. The auditions will be held on the campus of Clovis High School (1900 Thornton, Clovis, NM 88101).

We will have our directors meeting at 9:30 am in the Norvil Howell Band Hall and the auditions will start at 10:00 am.

Students may warm-up in the Cafeteria. Wind players will audition in the D-building, Junior High Percussion will audition in the Choir Room, and High School percussion will audition in the Band Annex. Students will want to find their rooms prior to the start of auditions.

## Audition Sign – up:

**Audition sign-up will begin at 9:30 am.** Students will need to put their full name and name of their school (not just initials) beside the number they want. Because we use a blind audition process, the students are signing up for a **number, NOT a time**. Students will need to make sure they check back with their room monitor after signing up to see how long they will have to wait for an audition. Missing an audition slot could result in a “Did Not Attempt” score being assigned the student.

**It is not the room monitors responsibility to track down students at the time of their audition.**

## Audition Etiquette:

To make these auditions fair for all students, we use a blind audition process. Students will sign up for a number, and the room monitor will introduce each student to the judges by that number. The student will not to speak to the judges at all during the audition process. All communication must happen through the room monitor. If a student has a question, they need to leave the room and ask the monitor for assistance.

Student’s names will only be revealed after the final scores have been tallied and a seating order has been decided.

Judges are asked to post all cuts and scales prior the auditions.
